## EDUCATION

### Holberton School

Bootcamp, Software Engineering

March 2022 - March 2023

Accra, Ghana

### Accra Institute of Technology

Bsc. Computer Science

Sept 2018 - Dec 2022

Accra, Ghana

## EXPERIENCE

### 1. Software Engineer

**SIP CONSULT**(Accra, Ghana)

Sept 2022 - Present

Currently creating and crafting a scalable and robust application to help mining companies with a real-time equipment management system that improves every aspect of the mine's maintenance management process, providing the information and tools needed to respond to, track, document, research, resolve, and predict mobile equipment health issues. Turn data into information, and turn information into action.

### 2. Software Development Intern

**ITECH CENTER**(Niamey, Niger)

April 2022 - June 2022

Worked as a software development intern in an Agile environment using the Scrum.

### 3. Software Associate

**NPONTU TECHNOLOGIES**(Accra, Ghana)

Oct 2021 - Dec 2021

Worked in a team of three to develop a C background service that was able to insert large data sets into a MySQL table and also write the records into an excel sheet.

### 4. Software Development Intern

**ECOGHANA TECHNOLOGIES**(Accra, Ghana)

Sep 2020 - Nov 2020

Implemented, and managed web-based systems aswell as upgrading existing systems.

## PROJECTS

### 1. BornaSend [PHP, JavaScript, jQuery, MySQL, Bootstrap, HTML, Google analytics]

[\(project link\)](#)

- A prototyped money transfert system on which a user can deposit funds on his account via an agent and perform online transactions.
- It has three separate components which are: the user component, the admin component, and the agent component.

### 2. ENP MineCare [ReactJS, TypeScript]

[\(project link\)](#)

- A mining equipment management system with fleet scheduling and reports generation.

## SKILLS

- ReactJs	- PHP	- C
- JavaScript	- MySQL	- Linux
- TypeScript	- Python	- Git

## VOLUNTEER

### Orange Ambassador

**UNFPA**

Aug 2021 - Jul 2022

- As part of the Orange Ambassadors Initiative of the United Nations Population Fund (UNFPA) of Ghana, I received training to help fight against Sexual and Gender-Based Violence (SGBV) and Harmful Practices.
