Summary

I am an ambitious individual with broad skills in Information Technology, social media and leading projects. I am creative and innovative, and great at managing multiple conflicting tasks. I value self-led learning, and as a result, I am training to become a Front End Software engineer.

Education

01/2022 – present	Software Engineering Bootcamp , <i>African Leadership University (ALX Africa)</i> <ul style="list-style-type: none">• Leveraging my self-led learning and peer-engagement skills in a 1 year Software Engineering Bootcamp.• Gained proficiency in C and Python languages, in line with my goal of specializing as a Front End Developer.
01/2022 – 06/2022	Virtual Assistance , <i>African Leadership University (ALX Africa)</i> <ul style="list-style-type: none">• Trained and developed skills as a general virtual assistant who can handle a wide array of tasks with minimal supervision and guidance.
11/2020 – 12/2023 Nairobi,, Kenya	Information Technology , <i>The Cooperative University of Kenya</i> <ul style="list-style-type: none">• Developed mastery in C and C++ programming languages, O.O.P, Database management, Network design and Web Engineering.
08/2020 – 09/2020 Online Course	Elements of Artificial Intelligence. , <i>University Of Helsinki (MOOC)</i>
11/2022 – present Online courses	Frontend Web development , <i>Coursera and Udacity</i> I developed and am honing my JavaScript, CSS, HTML and React skills.

Professional Experience

05/2022 – 08/2022 Kigali, Rwanda	Virtual Assistant , <i>Wassa Cisse (Best Seller Foundation)</i> <ul style="list-style-type: none">• Managed email correspondence between Ms Cisse and organizations that are part of her investment portfolio, ensuring a smooth communication process.• Managed Ms Cisse's calendars ensuring that her programs were efficiently planned and did not clash.• Conducted secondary research on need by need basis, ensuring that Ms Cisse was updated on trending topics that affected her work, and had necessary summarised information before meetings.• Supported in the organization of the 'Investing in the Circular Economy' conference by maintaining correspondence with event vendors.
